Long ago, there
lived a famous
naughty girl.

The girl would harass
the townspeople
everyday. One day
they all decided
to ignore her.

The townspeople's
action made the
girl really angry.

The girl vented
her anger on a
passing dog.

Because of the

The dog was cherished by the mountain spirit,

The angered spirit cursed the girl for her action.

I curse you to turn
into a dog every midnight
if someone kisses you when
you are older.

Unable to call for help,
feel what the dog must
have felt like then!

This curse will
pass on through every
generation!

And that
naughty girl,

Is our
ancestor.

You...

Who did
you kiss?

You don't
even have a
boyfriend...!

Is that
important??

Is that really
important, I
ask you??

I-I know so
calm down.

What should I do
now? What should I
do, I ask you??

Be quiet!!

It's midnight!!

The guard
will call us..!

So...

You kissed a
guy that had no
relation whatsoever
with you?

Turns back
to human
after dawn

How much
did you drink?

But congratulations
on your first kiss at
the age of 23.

Is this
something worth
celebrating? Now
I'm going to turn
into a dog every
midnight!!

Plus even if we
did kiss, I wouldn't feel
anything! Is that even a
kiss? That would just be
lips crashing against
each other!!

But I don't
think it was a simple
'lips crashing' type
of thing.

What?!

Isn't that's what

people call sexual harassment:P

Physical contact without the other person's permission because of alcohol

emo

**I know!!
I know I'm
trash!!**

*How will I go to
school now? There's bound
to be a rumor saying I'm
a pervert!! This is the
end of me!!*

More than
you curse,
that's more
important:P

Lovely

Again Today

-Episode 2-

Really?
I thought he would
tell the others
about this.

Seonwon
is not like
that.

He's a
nice guy.

Mr. Jin??

Yes.

I'm saying
the truth.

Is it because
Mr. Lee is nice
to everyone so
he said that?

As to why he
didn't like me,

I have no
idea when it
all started.

The people who
had to buy snacks.

And so,

Why doesn't
he listen to
anything I say?

During our teacher
practical we were
supposed to clean
up but it was always
I who did it.

I always thought
that was his
personality.

But the reason
why I concluded
that he hates me,

You know,
we're going to Mr.
Yoon's house this
weekend.

Ah, it's
Mr. Lee's
voice.

Geonwon,
you and Miss
Haena lived in the
same area,
right?

It's good that
even if you can
come together.

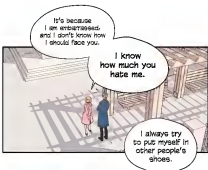

After that,
I was careful
not to bump
into him.

Even if I make
mistakes,

This guy...

I can't even face Mr. Jin, and to think you protected me from being the gossip of this school.

You don't know how thankful I am because you kept this a secret.

...

Mr. Jin is truly my saviour. I didn't even know you were a guy with such a big heart.

Are you really sorry?

Shue

Red

Ah, I was
just guessing
though.

This
person
really...

Why did
you wear Mr.
Lee's coat at
that time?

Ah...
That was...

I was
going to the
ballot when
I met him

It's cold
out there,
wear this~

That
was what
happened.

You know
right?

The cure
to the
curse?

Hmm?

Isn't that
the homeroom
teacher? And
also...

Fine!

Okay, so let
me go!

After work
ends- I'll tell you.
Satisfied?

Why
is she like
this?

Mr. Jin!

What is it
this time?

Perhaps...

You know
how to break the
curse, right?

He must kiss
you again after
you've turned
into a dog

In order to anal-
ize, you need to
know what you're
a dog

Dogs...
Do you like
them?
